The 39 Clues #6: In Too Deep

The major sources of work that recruit workers into town are the stations and mines. It's a simple story, told simply, but it's dealing with some complicated and intense emotional issues and it does it in a tremendously accessible way - the influences of people like Alan Garner and David Almond are obvious in the supernatural elements, but there are also echoes of the confidence and ease of other writers such as Jacqueline Wilson in the way Nicholls is talking to her readers.
