Too Late to Cry

Comments remain posted for at least a month and are printed periodically as Letters from Home on the Opinion pages of The Sun Chronicle.

DADS STORY

To explore the issue I develop a signaling model in which sovereign defaults reveal negative information to foreign lenders regarding the institutional quality in the country. The result is likely to be that a larger proportion of bank bondholders will be other non-bank financial intermediaries of the same country, providing a further small ratchet to the balkanization and nationalization of the banking .
